

The California MAP Initiative and Credit for Prior Learning

November 9th, 2023 | 10:15AM-10:35AM

Terence Nelson | Director of Academic and Institutional Partnerships, California MAP Initiative

Calvin Gloria | Project Manager, California MAP Initiative

California MAP Initiative
CSU AO Meeting
The Credits They Deserve

What is CPL

Credit for Prior Learning (CPL) is college credit awarded for validated college-level skills and knowledge gained outside of a college classroom.

- Military Training (JST Credit Recommendations)
- Industry Certifications and Licenses
- Standardized Exams (DLPT, AP, IB, CLEP, etc)
- Portfolio Review
- Credit by Exam

What is the MAP Platform

The MAP Platform is a specialized planning tool tailored for colleges and universities. Its purpose is to assess both military and professional experiences, allowing students to earn academic credit.

This tool simplifies the credit transfer process by establishing credit equivalencies (articulations) aligned with ACE (and other) credit recommendations and supporting documents and maintaining a central database that various stakeholders can access and share. Its core objective is to ensure that all students, including service members and working adults, receive the recognition they deserve for their achievements and experiences. Furthermore, the platform stores and parses supporting documents like JSTs and industry certifications to initiate articulations with prior learning opportunities, maximizing the college credit awarded to service members and working adults. This platform benefits educational institutions and students alike by making the credit planning and transfer process more efficient, equitable, and transparent.

THE CALIFORNIA MAP INITIATIVE

Title 5 § 55050

Mandate: Assessment of Prior Learning

(a) The governing board of each community college district **shall** adopt and publish policies pertaining to credit for prior learning. The **policies shall be transparent and accessible to all stakeholders,** published at least in college catalogs...

Title 5 § 55050

Mandate: Assessment of Prior Learning

(d) ... Colleges shall consider the credit recommendations of the American Council on Education pursuant to Education Code section 66025.71. Upon a student's demonstration of sufficient mastery through an examination or assessment, an award of credit should be made, if possible, to **California Intersegmental General Education Transfer Curriculum, California State University General Education Breadth, and local community college general education requirements or requirements for a student's chosen program.**

Title 5 § 55050

Mandate: Assessment of Prior Learning

(j) ...a student, upon completion of their educational plan...shall be referred to the college's appropriate authority for **assessment of prior learning if the student is a veteran or an active-duty member of the armed forces, holds industry-recognized credentials, or requests credit for a course based on their prior learning.**

CSU CPL Policy – Article 3.A.

”Students **shall** be granted credit toward the degree for the following types of learning acquired outside of traditional higher education:

1. ***Completion of learning acquired outside traditional higher education***, such as recommended by American Council on Education’s National Guide.
2. ***Successful completion of other learning outside of traditional higher education*** that utilizes prior learning assessment methods such as portfolio assessment, attempted independently or as part of a course.”

SCO Handbook - Prior Credit

"One of the criteria for approval of any school for Veterans' training is that it reviews prior credit and grant credit as appropriate to a VA student's current program."

"...Schools must evaluate prior credit, grant credit as appropriate, notify the student of the evaluation, and shorten the program certified accordingly. Whenever a student initially enrolls in your school or changes programs at your school a credit evaluation must be completed. VA will review credit evaluations during compliance surveys and credit evaluation records must be kept and made available to VA upon request."

"Schools should make every effort to obtain transcripts to comply with the requirement to evaluate and grant credit where appropriate.

"Reviews of prior credit policies will be conducted during compliance surveys and treated as approval issues if the school is not complying."

Approved Military Education Credit

Approved military education ACE credit recommendations are used for lower division baccalaureate degree courses to fulfill the following select areas of the SDSU General Education pattern:

- **GE Oral Communication** – 3 semester hours in oral communication, public speaking, speech, interpersonal communication must be specifically listed as part of the ACE Guide recommendation
- **GE Physical Science** – 3 semester hours in solid physical science such as physics, chemistry, etc. must be specifically listed as part of the ACE Guide recommendation
- **GE Life Science** – 3 semester hours in solid life science such as biology, anatomy, physiology, etc. must be specifically listed as part of the ACE Guide recommendation
- **GE Natural Science Lab** – appropriate physical or life science lab must be specifically listed as part of the ACE Guide recommendation
- **GE Social Behavioral Science** – 3 semester hours in appropriate social behavioral science course such as economics, psychology, sociology, etc. must be specifically listed as part of the ACE Guide recommendation
- **GE Humanities** – 3 semester hours in appropriate humanities course such as jazz theory must be specifically listed as part of the ACE Guide recommendation
- **GE Area E** - Basic Training credit based on branch of service and military entrance date
 - Military credit for GE Area E is awarded as follows:

Joint Services Transcript (JST)

The Joint Services Transcript (JST) is an official document approved by the Department of Defense (DOD) and validated by the American Council on Education (ACE). It authenticates a service member's military course completions, occupations, college-level test scores, and other learning experiences.

This transcript is available to service members (Veterans, Active Duty, Reservists) in the Army, Coast Guard, Marine Corps, and Navy. It's widely accepted by more than 2,300 colleges and universities.

ACE has provided over 5,600 Credit Recommendations based on the information in the JST, making it a valuable tool for service members seeking academic credit.

Notably, the JST is available free of charge, with the vast majority (98%) accessible electronically, enhancing convenience for users. You can access the JST through the following link: JST.DODED.MIL

Joint Services Transcript (JST)

ACE ID

All courses and occupations reviewed by ACE have a corresponding ACE identification number (ACE ID).

Credit Recommendations (CRs)

Credit recommendations listed on a JST are based on each service member's learning through military experience, academic exam scores, and academic courses completed while in the military. These credit recommendations have been evaluated by the American Council on Education (ACE) and designated in semester hours.

Semester Hours (SH)

ACE uses "Credits", "Hours", or "Semester Hours (SH)" interchangeably which refers to semester units using Carnegie Lecture Hours Equivalent (e.g., 3SH is 3 credits).

ACE CR Levels

V – Vocational | L – Lower | U – Upper | G – Graduate

Use Your Academy Training Towards an Associate Degree

Your career serving the public requires dedication to intense academy preparation and on-the-job training.

Use your POST or CST/BCOA Corrections Academy Training and work experience towards a Criminal Justice Program Associate Degree.

Bakersfield College offers up to 24 units of Criminal Justice course credits for academy training and work experience.

Use your hard work to save time and money towards obtaining your Associate Degree.

For more information contact Bakersfield College Counseling at BakersfieldCollege.edu/Counseling, or Call (661) 395-4421

Bakersfield College CPL is Transforming Lives...

24 units for POST Academy and just awarded CPL their first student

In law enforcement for 27 years, Captain Randy Milligan of the Shafter Police Department received 21 units toward his Administration of Justice degree based on completion of Peace Officer Standards and Training (POST) Academy. He is the first to receive POST CPL at Bakersfield College.

Randy is on track to complete his ADT in Summer 2024 and plans to transfer to CSU Bakersfield to complete his B.S. in Criminal Justice, after which he will be qualified to apply for a Chief of Police position.

Rio Hondo has awarded students in Fire Tech (9 units), Auto (12, 26, 28) units, Wild Land Fire Tech (12 units), and Electrical (9 units)

Eric Olson, a skilled heavy equipment technician, transitioned to teaching part-time in the Heavy Equipment Technology/Automotive program at Rio Hondo College later becoming a full-time automotive instructor.

Through Credit for Prior Learning (CPL), he earned 27 lower division automotive units, accelerating his completion of the Bachelor of Science in Automotive Technology at Rio Hondo College, significantly boosting his career and income as a full-time faculty member.
