GE Review Update

- Current GE review cycle:
 - Course proposals for 2024-2025 academic year.
 - Approximately 3,881 proposals (CSU GE Breadth, AI, and IGETC).
 - Approximately 235 Ethnic Studies courses (included in total).
 - Dr. Rob Collins continues as the CSU Ethnic Studies Faculty Coordinator.
 - CSU GE Area E decisions published first.
 - [Process overview](#) (pp. 8-10 in Guiding Notes) and other GE resources.
 - Moving to 2nd level phase and reconciliation in March.

External Exams

- AP African American Studies still in pilot
- Updates to AP exam titles reflected in [CSU External Exam Policy](#)
- It is likely that we will retain two sets of external exam lists as we transition to Cal-GETC

Q & A

- What's happening with the current CSU GE breadth pattern? If you're keeping it, how will students courses be reviewed for completion?
- I would be interested in hearing from the CSU how they're currently handling continuous enrollment and catalog rights as far as the ethnic studies requirements goes - both system-level guidance and whether there may be variations in implementation across CSU campuses.
 - Implementation and GE Certification

 - [Ethnic Studies IGETC Area 7](#)
 - Transfer Programs [FAQs & References](#)

Q & A

- In March if the CSU align to the Cal-GETC pattern will they also adopt the standards and policies for Cal-GETC? Will your first time freshman need to complete GE courses with a C or better? Will students have the same area standards? Can schools add their own local GE's or is that prohibited in CSU's Title 5?

Thank you for your Collaboration and Partnership!
